Dear Ms. Samuels:

## **RE: DONATION OF CARE PACKAGES**

Since the distribution of the twenty (20) care packages donated to us by (UJAA) and their partners, I have been receiving messages of thanks and gratitude from parents who have been and continue to struggle to provide for their families during this unprecedented time in our world.

As a school, we do our best to ensure that our students receive two healthy meals each day. We serve breakfast every school day free of cost and lunch is only US\$1.00. Even so, we are still faced with a number of students each day who are sent to school without money for lunch. Therefore, we knew that when school closed due to Covid-19 we had to do something. We are elated to have been able to distribute these well-stocked packages prepared by Lasco

Distributors.

Over the past four (4) years, UJAA's involvement in our school has been integral in the success we have had in nurturing, empowering, educating and mobilizing our students to become productive law abiding citizens of Jamaica land we love.

We are grateful for this partnership.

Thanks always,
