

Dear Community,

We hope you and your family are doing well. In these unprecedented and uncertain times, we look to each other for help and support. The West Indian Foundation has pulled together a series of “community conversations” to provide information on where to get services and products to help make these times a bit easier and also serve as a forum for us to share our needs, concerns and resources.

Please join us each Tuesday, now through 5/26 as we get together and collectively share and receive information and encouragement. Please join via ZOOM at 7PM – 8:15 or by phone.
