DEMERARA GOLD

A solo play by Ingrid Griffith

DEMERARA GOLD is a coming-of-age story of a spirited **7-year old girl** left to survive in her two grandmothers' worlds in the **Caribbean** after her parents suddenly get **visas** to the U.S. Ingrid cherishes a **gold ring** given to her as a token of her **parents' promise** that they'll soon be together again. The all-important visa finally arrives and Ingrid **rejoins her parents in America** to find a whole lot more than she bargained for.
