**WOMEN'S HISTORY MONTH RAFFLE DRAWING,  
DOOR PRIZES & LOTS OF LAUGHTER**

Despite their challenges – Petra is an undocumented immigrant and Philo makes a living singing on the subway – they seem content until Mother-in-Law and her nefarious companion Battica visits and blows tiny cracks in their union wide open. As Philo weakens, Petra has help (and often hindrance) in the form of her Jamaican neighbor, Marva. The rib-tickling first meeting of the five characters provokes a downhill spiral as agendas are unveiled and lives are altered.
