**ROOTS** A JAMAICAN  
DANCE PRODUCTION

SATURDAY | MARCH 24 | 7 PM

**ROOTS** is a powerful production of compelling dance works performed by one of Jamaica's top dance ensembles, Campion College. The show achieved critically acclaimed status in Jamaica and was conceptualized in tribute to the nation's 55 years of independence. Come feel the rhythm, come feel the vibration, come and experience island life in its purest form.

From the opening dance **CRY OF AFRICA** to our Independence dancehall drama, **JAMAICA LOVE**, you will feel the raw kinetic energy from a talented group of young Jamaicans. The show depicts the national pride of Jamaica but also highlights the struggles facing the country and the optimism in the hearts of its people. There is a message for everyone as the show reaches to the soul. Bring the entire family, tell your friends and support this epic Jamaican dance showcase.
