Dear Ms. Dunstan:

---

Spencer Kimball once said, "God does watch over us and does notice us, but it is usually through someone else that he meets our needs." Sincere thanks to you and the members of the Associations, and the Lasco Chin Foundation And all the other organizations and Agencies involved in causing this effort to result in your timely donation to us in response to the COVID-19 pandemic.

I, along with nineteen other students and their families now have greater access to a variety of necessities because of your contributions.

A big thank you to The Union of Jamaica Alumni Associations, USA Inc., Jamaica Alumni Association of High Schools and the Lasco Chin Foundation Who collaborated to provide COVID-19 Care Packages to students and families in Member Schools.

To the UJAA – who facilitated the donations for packages to schools

To the LCF – who ensured the fulfillment of the Ideas, and

To the JAAHS – who we were told distributed the Care packages to our School.

Your support and thoughtfulness are truly appreciated. Thank you for giving the resources we needed at this unprecedented time.

Sincerely,

Olivia Williams  
Student at St. Jago High School
